

Join the Somerset County Green Leadership Hub on a **walking tour** of sustainable energy technologies in place at Duke Farms. **Clifford Berek** of Duke Farms will lead us through the grounds and explain how this innovative technology works. The walking tour will be followed by a brief **presentation** by **Clifford** and Duke Farms Executive Director, **Michael Catania**. Next, **Emma Melvin**, Green Infrastructure Coordinator at Sustainable Jersey, will discuss how green infrastructure can be implemented through Sustainable Jersey actions for points towards certification at a **Hub Meeting**. Finally, a short **Q&A** session will be held for municipalities to ask **Emma** individual questions as they pertain to specific municipal actions. Time will be available for networking and Q&A at the end of the meeting.

Where: 1112 Dukes Parkway West,
Hillsborough, NJ 08844
Date: Tuesday May 10, 2016
Time: 2:00 PM (Tour)
3:00PM (Hub Meeting)
RSVP: by May 1, 2016
