Keep food and people safe

CAN YOU BELIEVE THIS? SOME MAN IS COMPLAINING THAT HE GOT SICK FROM OUR FOOD!

I DON'T BELIEVE IT, CUSTOMERS ALWAYS COMPLIMENT OUR FOOD.

SOMEONE CAME IN LAST NIGHT WHO HAD THE SAME STORY AND SICKNESS.

DO YOU THINK THE SICKNESSES MIGHT BE CONNECTED?

MAYBE THERE'S A PROBLEM WITH THE FOOD, OR WE RECEIVED A BAD PRODUCT DELIVERY.

LET'S ASK THE MANAGER TO CALL THE HEALTH DEPARTMENT SO THEY CAN LOOK INTO THE CUSTOMERS' STORIES.

If you see something say something!
