Dear friends of The Learning Gate,

For the past several years I have been a volunteer board member for The Learning Gate in Raritan NJ, a non profit early childhood provider in Somerset County. The Learning Gate operates in a 100+ year old building on a property of over 2 acres and as you might imagine there is constantly a need for maintenance.

On Sunday October 4th we will be having our annual fall volunteer clean up day. This is when we trim, weed, fix, plant, sweep, rake, power-wash and do as much as we can to care for the property in a day. I am writing to you to see if you would be willing to donate a few hours of your time to volunteer. As a non profit we rely on volunteers to keep our center going, your donation of time is very much appreciated.

If you know someone who is handy and would like to help out just let us know when you RSVP. The more hands the better!

Here are the details:

Date: Sunday October 4th, 2020
