AN EQUAL OPPORTUNITY EMPLOYER
TRANSPORTATION

Motor Coach Operator

0006831040A

APPLY ONLINE AT www.co.somerset.nj.us/jobs

Responsibilities: Position provides Public and/or Para Transit Services to eligible Somerset County residents. Driver performs duties assigned by the Community Transit Supervisor to ensure that eligible clients and/or the general public are picked up and transported to their destination in a safe, reliable and courteous manner. Position checks messages for any additions or changes to their daily schedule. Position performs safety checks on the vehicles assigned daily, reports any malfunctions to the appropriate staff; enters appropriate information into electronic manifest. Position follows all safety instructions per the direction of the Para-Transit Manager, Community Transit Supervisor, Transportation Coordinator, Director or Dispatcher. Position follows the route described on the vehicle manifest and alerts dispatch when the route is being delayed due to roadway issues or there are significant delays in keeping to the assigned schedule. When required, delivers hot and cold meals to the homebound. Position performs additional duties as assigned by Para-Transit Manager, Community Transit Supervisor, Transportation Coordinator or Transportation Director.

Requirements: CDL Class B w/passenger endorsement; air brake restriction removed; requires retention of a valid Federal Motor Carrier/NJMVC approved Medical Examiner Certificate. Minimum one year prior experience as a professional driver transporting senior citizens or persons with disabilities and/or public transit driver or school bus driver is required. Acceptable driving record as per County standards: no more than 6 current points; no DUI convictions within past 10 years; no reckless driving convictions within past 3 years; investigate the circumstances of any fatal accident or revocation of driving privileges on record. No record of positive drug and/or alcohol from former employers in the past 3 years. Driver must be able to provide reasonable assistance to passengers to and from their destinations when requested; including but not limited to pushing a wheelchair up and down ramps. Driver must be able to manually operate mobility device loading and securement systems. Driver must be able to tolerate changes in temperature given that transportation service is provided year round during both extreme hot and cold weather conditions. Driver must have Knowledge of Somerset County roads, be able to read a map and follow directions to various local and regional destinations. Driver must be able to bend, stretch and manually tighten securement devices by hand to safely secure wheelchairs and other mobility devices in the tie down positions provided on the vehicles. This position has a Physical Strength Rating Assessment as per Dictionary of Titles as Medium work. The definition of Medium work: (occasional lift up to 50 pounds, pull up to 64 pounds, and push up to 64 pounds). In order for a Motor Coach Operator to safely perform all required duties in an efficient manner, they must also be able to occasionally lift loads (maximum weight of 50 pounds) to 44 inches in height onto a shelving unit, occasionally place loads (below knee level) into storage area, and walk community distances to deliver meals. Acceptance for employment contingent upon passing federally mandated pre-employment drug screen.

Salary Range: $39,400

AN EQUAL OPPORTUNITY EMPLOYER
WORKFORCE DEVELOPMENT BOARD

**Position**: Director, Workforce Development Board

**Position Overview**: The Director, Workforce Development Board, reports to the Somerset County Administrator, the GRWDB and the Chief Elected Officials of Somerset and Hunterdon Counties. The Director is responsible for all Board and division activities, including but not limited to implementing Board priorities and policies, managing staff of the division, developing and implementing strategic plans, developing and managing the budgets of the GRWDB and Greater Raritan Career Training Services, organizing and conducting meetings of the Board, on-going financial management and planning, overseeing state-mandated Committees established by the Board, marketing and communications, aligning local plan efforts with regional and state workforce priorities, engaging public and private institutions, businesses and individuals in local workforce programs, and all other responsibilities as may be determined by the GRWDB leadership.

**Responsibilities**: Position insures that the GRWDB is fulfilling legislated responsibilities of the Workforce Innovation and Opportunity Act of 2014. The Director Works closely with Board members, elected officials, partner and oversight agencies, GRWDB staff, other Somerset and Hunterdon county staff (including the fiscal agent) and related institutions in accomplishing goals and objectives as defined by the Board through strategic planning, and in alignment with regional and state workforce priorities. Develops, communicates and implements SMART goals based on Board policy direction. Supervises and manages professional staff in the accomplishment of goals, objectives and tasks. Develops, administers and monitors an annual budget for the GRWDB and, working with the One Stop Operator, develops an annual budget for direct program services. Develops and implements strategies to engage the private sector relative to future workforce and human resource talent needs. Understands the different local workforce programs being offered by various public local and state entities in Hunterdon and Somerset counties, as well as community agencies, and looks for opportunities to connect programs, to encourage collaboration, cooperation, and capacity-building. Key to this is assessing under-utilized programs’ efficacy, as well as helping employers and community members identify gaps that can be addressed with better, targeted programming. Represents Greater Raritan interests at general and director meetings of the State Employment and Training Commission (SETC), monthly meetings of the Garden State Employment and Training Association (GSETA), and monthly meeting of North Jersey Partners (NJP). As part of this, also ensures that staff members attend relevant state meetings, and board members are aware of these meetings as well as ongoing state initiatives. Participates in other state-planning and related workforce initiatives to ensure that Greater Raritan has a voice in ongoing and developing regional and state programs. Ensures that state-provided demographic and statistical data focusing on employment trends as well as private sector talent needs is shared with the Board, the One Stop Operator, elected officials and other relevant partners to help inform local and regional plans, and does original research as needed. Researches, analyzes and summarizes and reports to the GRWDB and other partners on federal and state rules and regulations governing workforce investment grants. Working with GRWDB staff as well as the fiscal agent, identifies opportunities for additional funding streams, which could be from other federal and state programs or private foundations and funding sources. Supervises and ensures the scheduling of Board and Committee meetings including agendas and insures publication of meeting minutes.

**Requirements**: College degree and/or relevant experience in public or private sector human resources, public workforce investment grants, economic development and/or public or private workforce training and education along with supervisory experience. Ability to work with a variety of partners and interests, including local, regional and state officials and representatives, elected officials, educational institutions, community non-profits, economic development entities, large, mid-sized and small businesses, and other partners, to create a culture where collaboration is the norm, and the mission focuses relentlessly on career pathways that provide sustainable wages and that meet evolving employer needs. Experience with non-profit organizations, their governance and management structures and overall Valid NJ driver license.

**Position Overview:** Position assists with the performance of field and office work aimed at the retention of, or provision of assistance to current, new or expanding businesses in Hunterdon and Somerset counties. Incumbent works with a variety of partners, including state Business Representatives, Career Training Services, Employment Services, Raritan Valley Community College and others as needed, to ensure that jobseekers in the system are matched with available positions trying to be filled by employers. Incumbent engages and builds strategic alliances with relevant State of New Jersey departments and divisions, educational institutions, workforce training entities, business and trade organizations, and special interests groups having an interest in workforce and economic development and advising the Director as to their activities, priorities, and strategies as relates to the interest of the GRWDB. Incumbent works with the Business Services Specialist to cultivate connections with businesses. Incumbent will support other administrative and program work within the workforce development system of the two counties as needed.

**Responsibilities:** Incumbent will act as liaison between businesses, public and private agencies to present the concerns and needs of the businesses to employer councils, economic councils, planning agencies, and other public and private agencies as needed. Incumbent will maintain a list of available jobs from the state DOL Business Representatives and matches clients in Employment Services, Career Training, Raritan Valley Community College and other programs with those positions as appropriate. Incumbent will maintain an effective working relationship with federal, state and local government agencies, businesses, legal association, local and regional private consultants, and local and regional business groups and associations to help address the needs of businesses and jobseekers. Incumbent will gather information and data pertaining to the availability of specific skills required by businesses and disseminates information to state and local partners; informs businesses of incentives as appropriate for certain groups of unemployed or underemployed workers. Incumbent will assist businesses in connecting with the state Business Representatives for various services offered by the state, including job fairs, training grants and other programs as appropriate. Incumbent will work with Case Managers to assist jobseekers from Employment Services Career Training, Raritan Valley Community College and other partners as needed. Incumbent understands and uses New Jersey’s One Stop Operating System (OSOS) for job matches, customer demographic information and program progress reports. Understands and uses WIOA Dashboard and other state and county resources to help guide job development work to help inform partners as well as the strategic planning discussions of the GRWDB. Incumbent will assist in supporting the work of the GRWDB office, collaborating with for the Director, Business Services Specialist and Business Manager; can include daily administrative work, annual report production, local and state events, including workshops and job fairs, and other programs and events that engage all partners in the community in building a robust workforce.

**Requirements:** College degree and/or relevant experience in public or private sector human services, public workforce investment system, and/or workforce education and training. A valid New Jersey Driver’s license is required. Knowledge of human services, workforce education and training programs, educational resources, and job training programs preferred. Ability to work effectively with personnel in other government, public and private agencies, and with representatives of employer and/or worker groups to establish and implement programs. Ability to work effectively with jobseekers in the system to match them with available job openings. Ability to learn to utilize various types of electronic and/or manual recording and information systems used by the GRWDB and related departments.
