**Local leaders, green team representatives and green business product and service providers are gathering at this Hub event to:**

- ◆ Learn about success stories and projects underway by municipal green teams aimed at achieving SJ Certification that involve partnerships with local green Businesses.
- ◆ Meet local businesses that offer specialized products and services that municipalities can take advantage of to achieve their SJ Certification goals.
- ◆ Gain information about new sustainability programs, policies and resources that local governments and businesses can benefit from.
- ◆ Acquire the Hub's new Green Business Partners Inventory tool.
- ◆ Be part of the growing green industry sector in Somerset County.
