

# Five Wishes

The Adult Day Center and Hospice of New Jersey invite you to a zoom presentation about the “Five Wishes.”

\* Five Wishes is America’s most popular living will because it is written in everyday language and it helps people express their wishes where it matters most. It includes considerations for personal and spiritual preferences in addition to medical and legal issues. It is also a blueprint for describing what good care means to you and detailing to your family exactly what you want.

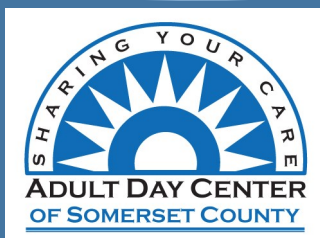

Inspired by Mother Theresa the 5 Wishes is free and legal, all you need is to answer the questions and have 2 witnesses. Join us to learn more!

**APRIL 14, 2021, 6:00 P.M. to 7:00 P.M.**

## **ZOOM WEBINAR**

RSVP for the zoom information to
